

## Year 3 Homework Project Spring Term

### GEOGRAPHY IN A BOX!

#### Homework task

Date set: Friday 14<sup>th</sup> February

Hand in date : Friday 7<sup>th</sup> March

To link with our Geography work, I would like you to choose a **famous river**, **mountain** or **volcano** to find out about. This can be from anywhere in the world. Please research in a variety of ways and display your information creatively in a box no bigger than a small shoe box. Unfortunately, we do not have room in the classroom for large boxes. Be imaginative with your models and collage but please make sure you have **factual information** inside your box. I can't wait to see the results of your creative hard work and I know you will love researching!

Mrs Thursby
