

Year 1 Homework - Superhero Me!

CREATE A FAMILY TREE!

To link with our topic of Superhero Me! we thought it would be lovely if you could work with your child to make your own Family Tree. It could just be of your immediate family or you could extend it however far you want, it's up to you. It would be lovely to see who has helped make them the Superhero they are today!

Have fun and be as creative as you like!

(Hand in date - Friday 10th October)
