

Year 4 - Homework arrangements

Maths

There will be weekly Times Table Rockstars – there are 10 games which last for one minute, set each week. These are not expected to be completed all in one session.

The homework will be the times table which they, as a class, are currently working on. These will be reset each Monday.

Reading

The children will bring home a Reading text to help develop their fluency and independent reading. This will run Monday – Friday each week.

The children will also have a reading for pleasure book of their choice. This can be chosen and shared with an adult to develop reading for pleasure. This can also be changed when requested. Children are expected to read at least three times a week and record this in the current reading record that is in the classroom.

Topic

Each term, (3 times a year) a project, which promotes creativity and independent study will be set. There will be an information sheet sent out to give further details on this each term.
