

Reception
Spring 2 2025

Paddington's travels Dinosaur Roar!

Literacy

In Literacy we will be continuing on the excellent Read, Write Inc Programme. In addition to this we will be using our literacy skills when exploring and investigating and through opportunities to write linked to our Topic 'Paddington's travels' and 'Dinosaur Roar'

Topic

This term we will be exploring our world both near and far. We will look at homes and features of our local environments before learning about the lives of children in other countries with the help of Paddington Bear and his postcards from around the world. We will also be learning about dinosaurs, finding out where they lived and why, what they ate and creating a fact file to show what we have found out.

Numeracy

This term we will be exploring patterns within and greater than 5. We will experience patterns showing a small group and 1 more and match arrangements to finger patterns. We will also be counting to 20 and beyond and ordering numbers. Through our provision we will be exploring shape and repeating patterns..

PE

The Synergy coaches will be taking the class on Wednesdays and will be learning to play team games. On a Thursday we will focus on dance this

Art and Design

Linked with our topic, we will be combining materials to create different habitats for dinosaurs, creating some giant art and doing some observational drawing too.
